INTRODUZIONE AL CODING

I bambini cominciano a distinguere la mano destra e la sinistra e si esercitano con il reticolo del CODING costruito a grandezza naturale.

PERCORSI

I percorsi sono stati programmati prima sulla scheda e dopo sul reticolo grande.

BEE-BOT

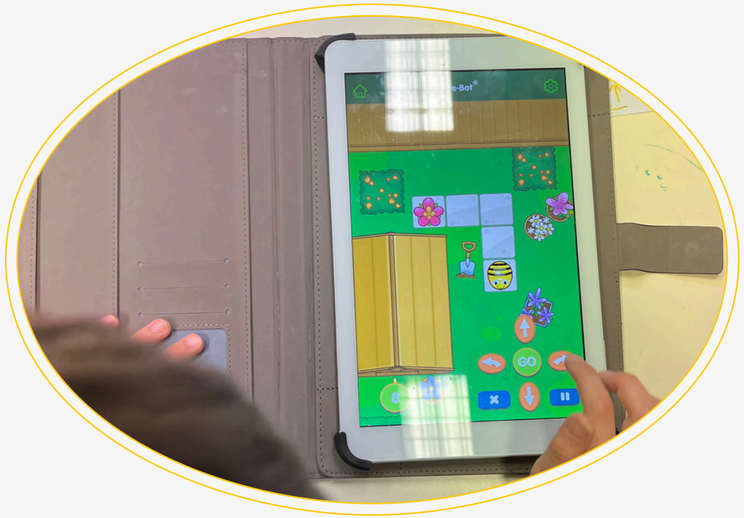

I bambini hanno programmato dei percorsi con la BEE-BOT. Il suo utilizzo insegna loro a sviluppare la logica, l’astrazione, ad apprendere concetti spaziali e a prendere confidenza con i concetti di aggiungere e diminuire.

PROGRAMMAZIONE

percorsi di CODING, programmazione e debugging, uso della DIGITAL BOARD e del TABLET

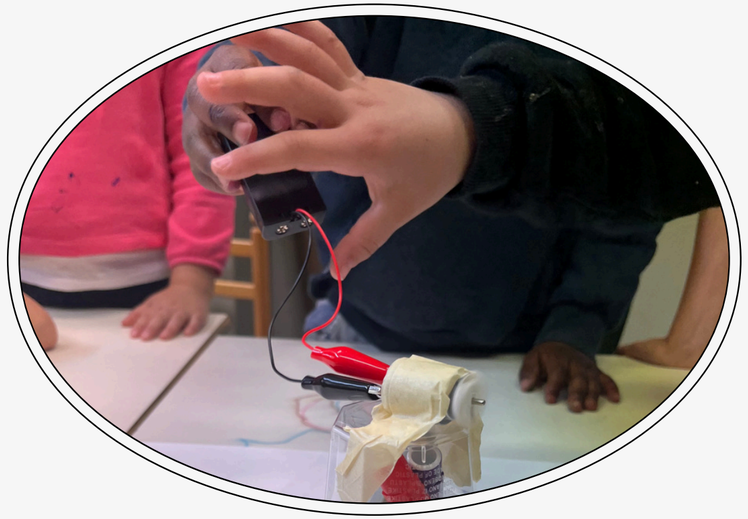

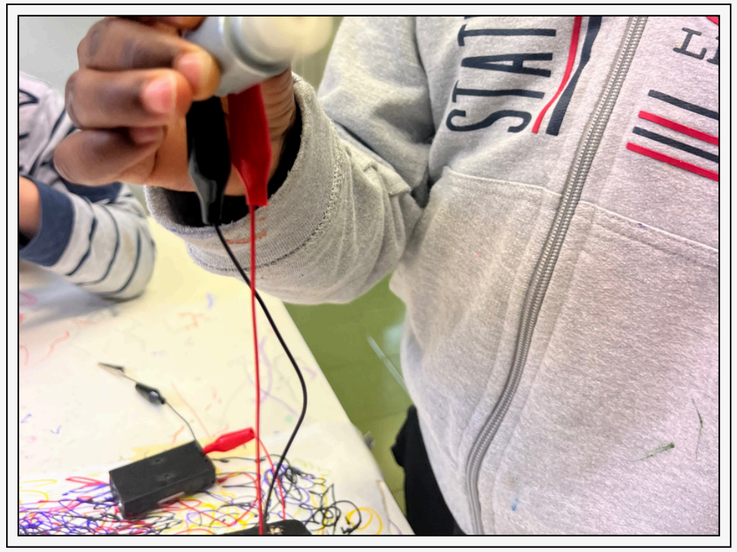

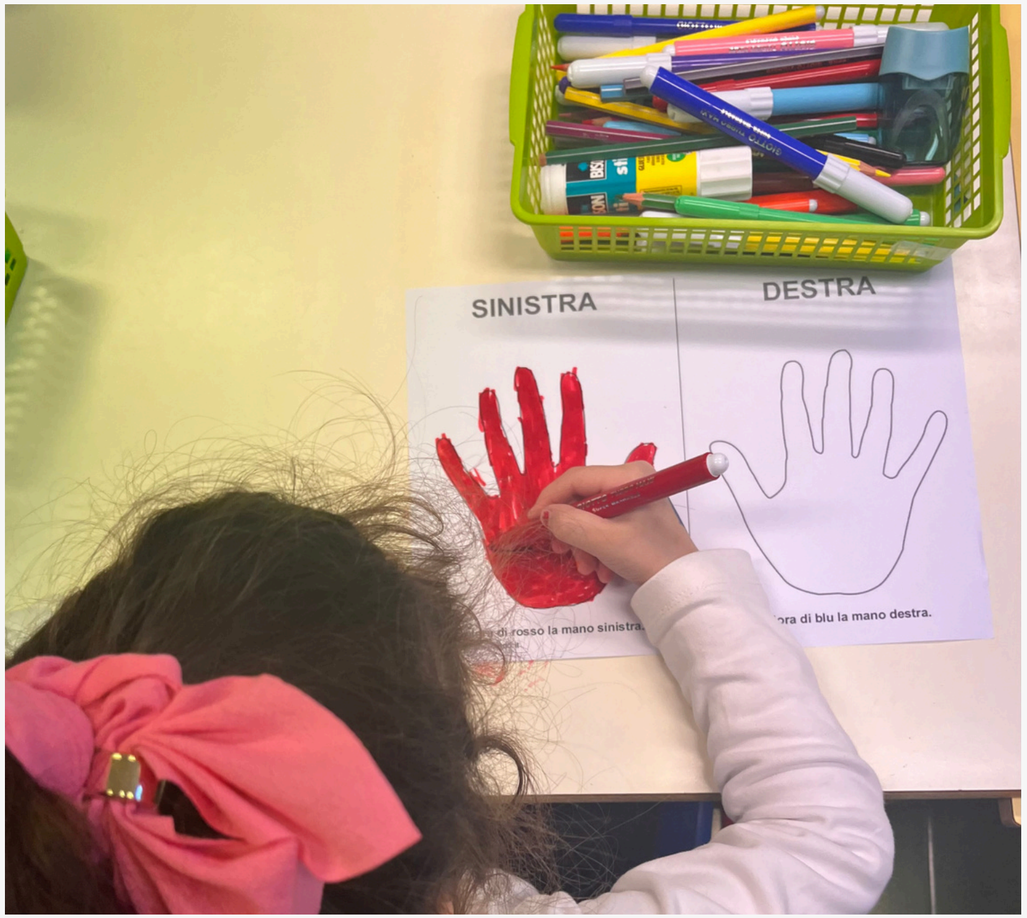

OBIETTIVI

PERCEZIONE SPAZIALE E LATERALITA’;
PROBLEM SOLVING;
LOGICA;
LAVORO DI GRUPPO;
PENSIERO CREATIVO;
LINGUAGGIO TECNOLOGICO E INFORMATICO;
AVVICINAMENTO ALLA LINGUA INGLESE
